Florida Blood Services and
The Leukemia & Lymphoma Society
Are "Buddying Up" to Make A Difference

PLEASE DONATE BLOOD & BE THE CHANGE
For Those Battling Blood Cancers!

Fill out the information below and take this flyer to any Florida Blood Services mobile or donation center and donate blood and **\$3.00** will be donated to The Leukemia & Lymphoma Society. You will also help schools raise funds for their **"Pasta for Pennies"** campaign.

At school, kids are learning about how the blood system works and how it is affected by blood cancers. We are also learning how we can **BE THE CHANGE** for those battling blood cancers. Many adults and children are sick and need lots of medicine and blood.

If you are healthy, 16 years or older and weigh at Least 110 pounds, more than likely you can
Donate for me.
